

Eagle's Bluff Golf Course Is Open To The Public After Thirty Years In The Making.

From dawn to twilight, Eagle's Bluff Golf Course is a canvas of majestic beauty, located in the bluffs, just two miles south of Clarksville, MO on highway 79.

Eagle's Bluff Golf Course designer John Boyd blended rolling farmlands, towering oaks and serene lakes to create the spectacularly sloping golf course.

The U.S.G.A. rated, 9-hole, par 36 is a work in progress with the back nine scheduled to open by the spring of 2010, serving all a challenging playing experience.

Class-A, PGA Professional Jeff Hogge offers lessons on every area of the game. Our first-class facilities include a pro shop, gentlemen's locker-room and shower.

The course is in pristine shape with zoysia fairways, bent grass greens and tees.

Work on every aspect of your game with our large surface putting green and 300 yard driving range.
